

Supply Officer

By C/PO3 Anabui

About me

What I know about this position

- .The supply officer is in charge of everything regarding uniform
- . The supply officer should be organized and keep track of all uniforms and materials.
- . The supply officer should always make sure when a cadet returns anything it should be updated on CDMIS (citizenship development management information system)
- . The supply officer should always keep the supply in good condition
- . The supply officer should know the way uniforms are issued and the process.

sizes(vary for everyone)

P- petite

R- regular

T- tall

Why I think I am the best fit for this position,

- .I have had some experience being in supply and helping out
- . I have also been talking to the supply officer of this year.
- . I am always willing to learn new things

Improvements

. Unauthorized personnel should not go into supply .

.communication

Traits a supply officer should have

. Organized

. Dedicated

. Good communication skills

. Time Oriented

The End....

THANK YOU
