# Traits

---

- Organized
- Patient
- Communicative
- Approachable
- Positive Attitude
- Team Player

# Knowledge of Position

---

- Be able to assist
- Help top two on planning, coordinating and assisting on activities
- Allow cadets give opinions daily on good and bads and inform staff
- Brings up the problems and recommends solutions
- Tells CO aspects in the unit that affects cadets good or bad
- CMC needs to set good example because cadets look at her as one
- (All of staff) Set example for unit and have a high morale, have good attitude, and stay positive

# Improvement

---

## Individually

- Overworking myself

## Unit

- Opportunities where cadets can share what they think can be improved and situations that should / can be solved or seen/ taken care of
- Getting cadets involved

# Thoughts

---

- Colors should be a job
- PCs should be briefed about staff meeting, only information pertaining to them
- Keep supply liaisons
- All PCs need to know how to spot goods and bads
- Staff needs to stick with their job
- Not going to instructors first
- Not have one staff member in one class
- Calling each other by title

---

Thank You
